

"SPIKE" GARNISH

TODAY AT HALFTIME

"SPIKE" GARNISH CITATION & SCHOLARS

This afternoon's halftime festivities are filled with traditional University of Rochester Reunion-Homecoming presentations, headed by the awarding of the 13th Annual Lysle "Spike" Garnish Memorial Committee Citation and the initial Lysle "Spike" Garnish Scholars.

The Garnish Citation, which today will be presented to Dr. Kenneth E. DeHaven, is awarded annually to an individual who has been instrumental in furthering the aims of University of Rochester athletics, and is named in the memory of the late trainer and coach of football, basketball, and baseball at the University of Rochester from 1930-1949.

Throughout his career and until his death in 1960, "Spike" was intensely interested in students and in athletics; his counsel and assistance helped many young athletes to persevere in sports and academics.

Dr. DeHaven's Citation, which will be presented by Garnish Committee Chairman Larry Palvino, reads "For his longstanding and distinguished service to intercollegiate sports at the University of Rochester, as Head of the Athletic Medicine Section of Orthopaedics at Strong Memorial Hospital, as the Yellowjackets' team doctor, and for his untiring devotion to the game of football as a player, physician, and fan."

Dr. DeHaven gained his knowledge and love for sports as an exceptional athlete on the high school and intercollegiate levels. At Fairmont High School in Dayton, Ohio, he captained the football team as a fullback and defensive tackle (with All-League & 3rd Team All-Ohio honors as a senior), captained the basketball squad at his center position, and was a track standout in the shot, discus, and high jump before graduating in 1957 on the National Honor Society.

At Dartmouth College, Dr. DeHaven played both offensive center and linebacker, where as a senior he was team captain and earned All-Ivy League, All-New England, 3rd Team All-East, and Honorable Mention All-American acclaim. He graduated in 1961 as a Travelli Scholar, earned Cum Laude distinction at Dartmouth Medical School (B.M.S. in 1963), and was Alpha Omega Alpha upon graduation from Northwestern University Medical School (M.D. in 1965).

DR. KEN DeHAVEN

He joined the faculty of the University of Rochester School of Medicine in 1975, where presently he is a Professor and Head of the Section of Athletic Medicine in the Department of Orthopaedic Surgery.

Besides being the Team Physician for the Yellowjackets, Dr. DeHaven also serves in the same capacity for the Rochester Americans Hockey Team and the Rochester Red Wing Baseball Team. He currently is the President of the Arthroscopy Association of North America and is on the Board of Directors of the International Society of the Knee.
