Garnish Awards

Honor Top Student-Athletes

The Garnish Endowed Scholarships were established by Rochester Alumni who had and have a strong interest in UR intercollegiate athletics. The scholarship recipients are selected each year from members of the junior class by a committee of alumni and staff. To be eligible, a student must have won three letters in a sport, have attained a good academic average and have displayed strong leadership and character in their contributions to and as representatives of the University's athletic program.

This afternoon at halftime, the six Garnish scholarship winners will be recognized. One

recipient, Carolyn Misch of the cross country team, received her award last Saturday because she was unable to be present this afternoon. The other Garnish winners are Elka Ertur of the women's volleyball team, Jill Decker of the women's soccer team, Greg Sutton of the football team, Gary Ciarleglio of the football team, and Peter Sciandra of the men's soccer team.

Presentation of the awards will be made by Larry Palvino, '58, representing the Alumni, and Jeffrey Vennell, Director of Sports and Recreation for the University.
