

## Citation Awarded To Harmon Potter

Every year, the Lysle "Spike" Garnish Memorial Committee presents a Citation Award to a deserving member of the University of Rochester's extended family. This award can be received by an alumnus, a faculty member, or a staff member. Previous winners have included Gerald Zornow, Chuck Resler, and Larry Palvino.

This year, the committee has selected Harmon Potter as the recipient. The citation reads, in part, "For his untiring devotion to academic and athletic enrichment of the student-athlete, for his service as the Associate Director of the Office of Admissions, as the Director of the Alumni Relations Office, and for his inspiration and enthusiasm."

One plaque will be presented to Mr. Potter. A second plaque will hang in the lobby of Fauver Stadium alongside the other 14 winners.
