George VanderZwaag

Executive Director of Athletics

The 2021-22 academic year launches George VanderZwaag's 23rd year as head of the Department of Athletics and Recreation, having previously served as senior associate athletics director at Princeton University.

Since his arrival in 1999, the Yellowjacket athletic teams and recreational programs have experienced tremendous growth. Teams have won over a combined 3,400 games and have finished inside the top-100 in the Division III Directors Cup Standings fourteen times. In 2020-21, Rochester produced 13 All-Americans and five Academic All-Americans®. In addition, five programs sent teams or individuals to compete in national championship competition, with both baseball and softball winning conference titles. The recreational programs at Rochester have also doubled in size in his time at the helm.

In all, 193 athletes have earned All-America honors in a variety of sports. 73 athletes have been named to the Academic All-America Team® as chosen by the College Sports Information Directors of America. Over 175 teams and countless individuals have been cited by their respective coaching associations for academic prowess.

VanderZwaag has overseen a number of major capital projects, including a \$14.6 million renovation of the Goergen Athletic Center, design of the 11,000-square foot Fitness Center, replacement of the turf, lights, and track in Fauver Stadium, and installation of artificial turf and lights on Towers Field.

In January of 2014, VanderZwaag and the University announced a major gift from alumnus Brian F. Prince ('86) which created the Prince Outdoor Athletic Complex. New playing fields, a new track, renovations to Fauver Stadium and the creation of the Boehning Varsity House were all key elements to this extensive capital project.

VanderZwaag established the Friends of Rochester Athletics program in 2000, to ensure the highest quality intercollegiate and recreational athletic opportunities at the University.

He implemented a strategic plan that provides a quality athletics experience for students. This plan has reaffirmed the important educational role of athletics within the overall mission of the university.

In September, 2002, his achievements were recognized by the University when he received the Goergen Award for Distinguished Contributions to Undergraduate Learning.

VanderZwaag has served as a member of the Community Service Network Advisory Board, the Genesee Waterways Center Board of Advisors, and the University United Way Cabinet.

He has held leadership roles in both of Rochester's athletic conferences. VanderZwaag has served as the President of the Liberty League (formerly the Upstate Collegiate Athletic Association [UCAA]), and is currently the treasurer for the University Athletic Association (UAA), serving as a member of the UAA Executive Committee. He led the UCAA effort to expand membership in football and also led the branding project that resulted in the renaming of the UCAA as the Liberty League. He has also served on the NCAA Committee on Women's Athletics.

VanderZwaag currently serves as an advisory board member for the Sports Law & Business Program in the Sandra Day O'Connor College of Law at Arizona State University.

He arrived at Princeton in 1991. During his eight year tenure, the Tigers experienced unprecedented competitive success, capturing 18 national championships and 81 Ivy League titles. Princeton won the Ivy League's unofficial all-sports standings all eight years.

VanderZwaag graduated from Trinity College in Hartford, Conn. in 1986 with a bachelor's degree in economics. He was an offensive lineman for the football team and a member of the golf team. He earned his Master of Science degree in sport management from the University of Massachusetts at Amherst. In 2016, he was recognized by UMass Amherst with its Distinguished Alumni Award. From 1989-91, he was an assistant to the athletic director for student services and operations at Tulane University in New Orleans, Louisiana.

He and his wife, Kathleen, are the parents of three boys, G.W., 27, Michael, 26, and Jacob, 22. G.W. graduated as a member of the Class of 2016 at Rochester and played varsity golf. Michael has recently completed his degree at the University of Michigan and Jacob currently attends Georgetown University. VanderZwaag has now welcomed his first grandchild, Libby, born in August of 2021.

Chad Martinovich

Head Football Coach

After nine years leading the Massachusetts Institute of Technology football program to unprecedented success, Chad Martinovich was named the head football coach at the University of Rochester in 2018.

During his first three years with Rochester, Martinovich (pronounced mar-TIN-oh-vitch) has had seven all-conference performers in the Liberty League. In addition, his teams were well coached, committing the fewest penalties in the Liberty League and allowing the fewest passing yards on defense for two straight years. UR's student athletes also excelled in the classroom, with 44 players being honored by the Liberty League and UAA as All-Academic selections.

Prior to joining Rochester, Martinovich served as the head coach at MIT for nine seasons (2009-17). During that time, he steadily built the MIT program into a successful unit. MIT won the New England Football Conference (NEFC) Championship in 2014, earned its first NCAA Division III playoff berth, and advanced to the second round after a first-round win at Husson University. The final record was 10-1.

Following the 2014 season, he was named NEFC Coach of the Year, New England Football Writers College Division Coach of the Year, ECAC Coach of the Year, and the American Football Coaches Association Region I Division III Coach of the Year.

In the 2017 season, he directed MIT to success on both the gridiron and in the classroom. MIT was 7-3 overall, 5-2 in the New England Women's and Men's Athletic Conference (NEWMAC). The

Martinovich is the 31st head coach in UR football history.

Engineers were tied for third in the nation in fewest sacks allowed (five). The team averaged 26.8 points per game and almost 400 yards of total offense per game.

During his nine years in Cambridge, MIT football players earned 17 CoSIDA Academic All-America® awards, including seven selections to the First Team. The MIT quarterback was named the 2017 CoSIDA Division III Football Academic All-American of the Year.

From a football standpoint at MIT, he coached two All-Americans, 16 All-Region players, four All-New England performers, and 63 All-Conference players.

His arrival at Rochester brings him back to roots in Western New York State. Martinovich graduated from Hobart College in June, 1994 where he played football. He had coaching stops at Bucknell University (1994-95), Hamilton College (1995-97), and the University at Albany (1997-98). In July, 1998, he joined the coaching staff at Swarthmore College as Offensive Coordinator and remained there until April, 2001.

Martinovich returned to Hamilton College in April 2001 for a three-year stint as Offensive Coordinator and Quarterbacks Coach. He also served as an assistant professor of physical education.

He moved to Rensselaer Polytechnic Institute in June, 2004. He was the Offensive Coordinator for one season before being named the Defensive Coordinator and Defensive Backs coach in December, 2004. His RPI defense ranked first in the Liberty League for three straight years. RPI played in the 2007 NCAA Division III tournament and was crowned an ECAC Bowl Champion on three other occasions.

Martinovich resides in Brighton with his wife Erin, and their children, Hailey (18) and Tyler (15).

•Why Rochester as a college choice?

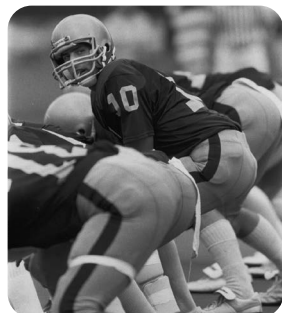

WS: To get a great education while at the same time compete at the college football level. Additionally, the coaching and athletic department staff, as well as my fellow student athletes, made me realize how great Rochester was and remains. Finally, having a medical school as part of the University system finalized my decision.

JV: I wanted to play two sports, baseball and football, and it seemed like the right fit! Coach Greene and Coach Reina were both open to me playing both.

BK: Because it allowed me to study at one of the nation's leading universities while playing football for a program with great people, facilities and tradition.

GC: Ray Tellier was coach and family friend and he was a big influence. Also, the university had a great academic reputation.

DB: I was interested in obtaining the best education possible while trying to extend my athletic career. Rochester offered me the best opportunity. I truly felt connected to UR the moment I stepped

Jeff Wittig

on campus. John Vitone and Ray Tellier were great ambassadors of the University.

JW: Based on the academic excellence, the student athlete experience and the people; specifically football coach Pat Stark who was a critical part of my recruitment, UR experience and career placement.

MB: I wanted to attend a college that would stretch me academically and athletically. Rochester is an outstanding school, when I stepped foot on campus for a recruiting visit I knew Rochester was the place I wanted to go.

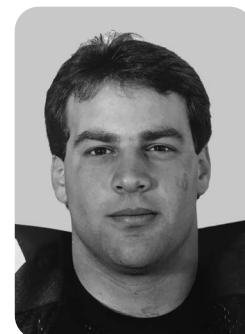

LR: I wanted to attend a university that would challenge me to be the very best in any endeavor, both in and out of the classroom... Meliora!

BP: I was exceptionally impressed with the University as a whole, the Campus, the Academic offerings and the exceptional coaching staff led by Coach Pat Stark.

SG: The opportunity to get a world class education. Play the sport I love. All in my hometown.

•What is one of your best memories playing for Rochester?

SG: Playing for and learning from Coach Stark my freshman year has helped me hone my personal and professional skills. He remains a mentor and life coach. My father attended just about every practice during my four years. Having him and my entire family in attendance for each game...home and away...is something I will cherish for the rest of my life. Also, I married a Yellowjacket Cheerleader, Nancy Lesko. We've been married 29 years!

Gary Ciarleglio

GC: Upsetting nationally ranked #4 Hofstra 31-28 on Long Island to remain unbeaten, in 1987. The defense was responsible for creating a turnover (forced fumble) on Hofstra's last play before setting up a potential game-winning FG. UR then marched the length of the field on offense and won on Andy Milne FG with 8 seconds remaining. The chances of this happening were astronomical.

MB: The best memories are of the practices and preparation that led up to games and the times spent with friends and teammates on and off the field. Something that has stuck with me was a hard work mentality that our running back coach, John Micca would always preach. He wanted us to be the hardest working group on the field and would push us to be our best at every practice and game.

JW: Throwing for 398 yards against Denison College, a top ranked team in the country under the lights at Fauver Stadium.

JV: Beating RPI in 2007. They were ranked in the top 25 and we went on the road and beat them. All around it was just such a great team win. I remember the defense made an unbelievable goal line stand to end the game!

Why Rochester?

•Did you have a favorite class or a favorite professor?

LR: Jody Asbury, as she knew how to push people in such a remarkable way that was full of passion and commitment.

BK: Rochester offered so many great classes and professors; I had some particularly great political science classes with Prof. Gerald Gamm.

WS: Prof. Siegel, mathematics department, who taught me calculus and probability. He is responsible for teaching me how to think. In medical school, it would be Dr. Distefano who taught me pharmacology and Dr's Ken DeHaven and C. McCollister Evarts who taught me orthopedic surgery during my residency at strong Memorial hospital.

BP: Dr. William Jonson, Psychology of Personality and Behavioral Psychology.

GC: Professor S. Peter Regenstrief Political Science. He loved UR football and athletics and made a great speech in class when we ripped off 8 wins in a row.

•Where has your career taken you since graduation?

DB: I returned to our family business in LeRoy and in 2001 sold it to Tompkins Financial. I have been President and CEO of Tompkins Insurance since 2002 and Executive Vice President of Tompkins Financial since 2004.

JW: The University of Rochester reputation was an important part of launching my career in health insurance at Blue Cross Blue Shield. That was followed by a role in management for an integrated health care delivery system and transitioned into my current role leading the employee benefits operations in Syracuse, NY for one of the largest insurance intermediaries in the country.

BK: After graduating from Rochester, I attended and graduated from Georgetown Law School. I have since practiced at Latham & Watkins in Washington, D.C., focusing on the defense of government investigations and enforcement actions, internal investigations, and complex civil litigation.

JV: My family owns a Toyota dealership in Rochester.

LR: A career in teaching and coaching football at the Blair Academy, Montclair Kimberley Academy, Riverdale Country School and Maclay School.

•Where are they now?

WS: Associate Dean for clinical affairs, associate chief medical officer Penn State health, Kalenak Prof. of orthopedic surgery, Medical Director Penn State sports medicine, Penn State Health/Penn State College of Medicine.

JW: Senior Vice President, Brown & Brown Insurance.

BP: Held multiple positions in both industry and banking in the New York metro area as well as the Midwest, before returning to Rochester. Currently serves as Executive VP at Canandaigua National Bank.

BK: Partner and Global Vice Chair of the Litigation & Trial Department at Latham & Watkins LLP.

DB: President and CEO of Tompkins Insurance, Executive VP of Tompkins Financial.

SG: EVP Wealth Management, Canandaigua National Bank & Trust after working for 21 years at M&T Bank.

LR: Maclay School Head Football Coach, Middle School Dean, Math Teacher and Assistant Athletic Director.

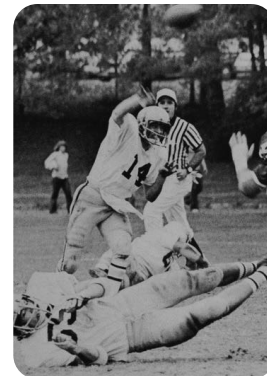

JV: General Manager at Vanderstynne Toyota Dealers.

MB: Administrative Vice President-Retail Regional Manager at M&T Bank.

GC: Quinnipiac Chamber of Commerce Business Development Executive -Sponsorship, Advertising and Membership Sales. Event Coordination and Planning.

The Liberty League sponsors championships in 27 sports. The member institutions of the league place the highest priority on the overall quality of the educational experience and on the successful completion of its student-athletes' academic programs. The member institutions seek to establish and maintain an environment in which a student-athlete's athletic activities are conducted as an integral part of the educational experience.

Originally founded as the Upstate Collegiate Athletic Association in 1995, the conference was renamed the Liberty League during the summer of 2004. The league includes founding members Clarkson University, Hobart and William Smith Colleges, the University of Rochester, Rensselaer Polytechnic Institute, St. Lawrence University, Skidmore College, and Union College. Vassar College became a full member of the league during the 2000-01 academic year. Rochester Institute of Technology and Bard College joined the Liberty League beginning in the 2011-12 academic year. During its time, the Liberty League has had numerous associate members in football, including the U.S. Coast Guard Academy, U.S. Merchant Marine Academy, Worcester Polytechnic Institute, Susquehanna University and Springfield College. Following the departure of three associate (football-only) members after the 2016 season, Ithaca College joined as a full member of the conference in 2017. Buffalo State joined as an affiliate member in football in 2019.

“The Liberty League provides a great competitive context for our football program,” says Rochester Executive Director of Athletics George VanderZwaag. “We compete against some outstanding academic institutions that are strongly committed to football in their educational contexts. The Liberty League champion is determined through a rigorous head-to-head schedule, and the league champion deservedly advances to post-season play in the NCAA Division III football playoffs.”

“By competing in the Liberty League, we have natural regional rivalries, and the competitive level is among the strongest in Division III football. Combined with our efforts to support a quality football program, the league provides our student-athletes a great college football experience.”

During the 2020-21 academic year, the Yellowjacket baseball and softball teams won the Liberty League and earned automatic berths into the NCAA Division III Championships.

Liberty League student-athletes are among the best in the nation in the classroom as well. Last year, a total of 142 players from Rochester's Liberty League teams were awarded All-Academic status from the conference by having a cumulative grade point average above 3.30, the same standard set by CoSIDA for Academic All-America® consideration.

Edwin Fauver Stadium

Built in 1930 and completely refurbished during the 1980's, Fauver Stadium anchors the outdoor River Campus Sports Complex. An AstroTurf surface was installed during the Summer of 2000. In May, 2021, the most recent Field Turf surface was installed. A brand new press box was completed in the fall of 2016 and a new dormitory at the south end of the stadium was completed in 2017. The stadium concourse was also renovated in 2016 and new visiting team locker rooms, along with team space were finished in 2018. Within the new dorm building, Genesee Hall, the bottom two floors are encompassed within the Boehning Varsity House and are dedicated to athletics, including new locker rooms, equipment space and athletic training rooms.

Seven different sports utilize the facility for home events (football, m/w soccer, field hockey, lacrosse, and m/w track & field).

On August 4, 1993 Fauver Stadium hosted the opening ceremonies of the Empire State Games (ESG), the largest amateur athletic competition in the United States, featuring more than 7,500 participants. The stadium was used for competition in track & field plus lacrosse. When the games returned to Rochester in 2006, Fauver Stadium was used for track & field competition.

Two legendary entertainers performed here in a four month span: **Cab Calloway** spoke at Graduation ceremonies in May, 1993 and led a crowd of more than 10,000 in a chorus of "Minnie The Moocher". **Ray Charles** played for one hour at the ESG opening ceremonies.

The stadium is named in memory of the man who planned construction of the athletic facilities at the River Campus. **Dr. Fauver** was instrumental in the formation of the New York State Conference of Small Colleges, and the Western New York Intercollegiate Athletic Conference.

Dedication ceremonies took place on October 18, 1930 at half-time of a Rochester-Wesleyan (CI) football game. Dr. Fauver and his brother **Dr. Edgar Fauver** of Wesleyan, served their schools as directors of physical education.

Services

Concessions: A concession stand, offering a variety of items, can be found in the Stadium concourse.

Handicapped Accessibility: Wheelchair access is available through Gate III. Ramp seating is located in the center stands.

Restrooms: Lavatories for men and women are located in lobby on each side of the main entrance (Gate II).

First Aid: Persons in need of emergency first aid should contact an usher.

Alcohol: Alcoholic beverages are not permitted inside the Stadium. Violators will be ejected from the stadium.

Public Address Announcements: No special announcements, except those concerning University functions are made over the public address system except in emergency cases. If an emergency does arise, go to the press box and give the message to the Sports Information Director.

What's In A Nickname? The Story Behind "Yellowjackets"

Had a vote gone differently, the University's athletic teams could have been named for the river that runs alongside the campus, for the official campus flower, or could bring one to recall a detective story by the noted author Edgar Allan Poe.

A story dated October 9, 1985 in the *Campus Times* says that students voted on possible mascots in Anderson Hall on the Prince Street campus in 1929.

"Yellowjackets" was the prevailing winner, beating Geneseeans, Dandelions, Gold Bugs, and Rivermen.

The evolution of the nickname "Yellowjackets" for Rochester athletic teams dates back to the 1920s, although there is some dispute as to how it evolved.

J. Howard Garnish is credited with giving the teams the nickname. During his undergraduate days, Garnish was a member of the football team and editor of *The Campus*, the student newspaper which was a forerunner of today's *Campus Times*.

An article from the October 26, 1987 edition of the *Campus Times* says Garnish was tackled and took a kick in the mouth. He then yelled "Go Yellowjackets" referring to the color of the University's jerseys.

In the November 12, 1926 edition of *The Campus*, a Buffalo player called the University's football team Yellowjackets because of their sting, not because of their clothing.

Garnish wrote an editorial in the same edition, rallying the team for an upcoming game vs. Rensselaer Polytechnic Institute. His headline read "Go to it, you Yellow Jackets!". The nickname stuck.

A 1991 edition of *Rochester Review*, the University's Alumni publication, says Garnish was knocked out cold after the tackle and the nickname came up in his editorial.

When the University celebrated its sesquicentennial anniversary in 2000, the Barnes and Noble bookstore published a desk calendar which had tid-bits of University history scattered throughout. Legend, according to the calendar, verifies that Garnish got up after a crushing tackle and cried out "Go you Yellow Jackets".

Rochester Football Endowments

No discussion of the football legacy at the University of Rochester would be complete without recognizing the contributions of Peter “Pat” Stark on the field and off.

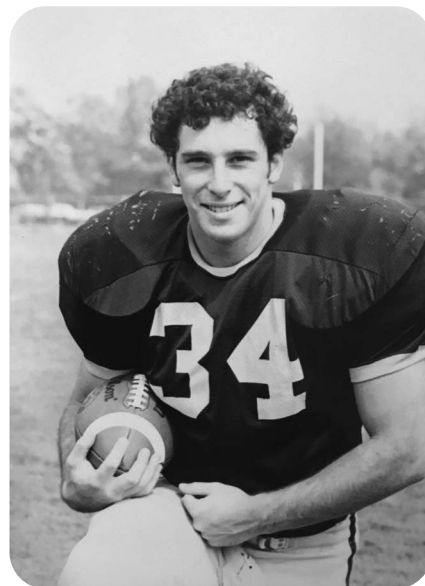

Stark served as the Rochester head coach from 1969 through 1983. In those 15 years, his teams won 69 games. His first game was a 20-14 loss to Mount Union at Edwin Fauver Stadium. Rochester won four in a row after that, including wins over New England rivals Williams and Amherst. The Yellowjackets finished 6-3. A year later, Rochester lost at Mount Union, then went on a 12-game winning streak – from September 26, 1970 through October 10, 1971. The 1970 record was 8-1, the 1971 mark was 6-3.

In 2014, the Pat Stark Endowed Fund for Football was created with a gift from Kathleen E. Stark Landers ’82 and Peter J. Landers ’83 (MS) in honor of Coach Pat Stark to support the programmatic needs of University of Rochester football. In 2009, the Rochester Football Alumni Endowment was created with a gift from Dr. Samuel Shatkin, Jr. ’79, P’17 and Joni M. Shatkin P’17 to support the programmatic needs of University of Rochester Football.

At the University of Rochester, our endowment provides the financial foundation to perpetually support what is most essential here—our students and faculty, our vast health care network, and our continued excellence in our schools and programs. It also helps sustain the rich variety of music, art, health care, and educational programs that serve our University community and the Greater Rochester region.

Coach Stark has been a mentor both on and off the field, and this was recognized with an endowment in his name.

Samuel Shatkin's gift started the University of Rochester Football endowment.

Stark's contributions to the University were widely appreciated.

“In the very first week I was on campus, Coach Stark went out of his way to make me feel welcome and help teach me about the history of the University of Rochester football program,” says head coach Chad Martinovich. “Over the course of my time here, became both a friend and a mentor to me. Coach Stark has left a legacy within the U of R athletics department that is unrivaled. It was a privilege to get to know him over the time I have been a part of this community.”

As an undergraduate at Syracuse University, Stark was selected as the All-East quarterback by The Associated Press and United Press International in 1952 and 1953. He was named to the Red Grange All-American team in 1953. After graduation, he worked as an assistant coach at Syracuse and was part of the staff when the Orangemen won the 1959 National Championship.

Stark served as the Offensive Coordinator at the University of Rhode Island and at Harvard University before he came to the River Campus. His 69 wins are second-most among all football coaches at the River Campus. He is tied with Elmer Burnham in games coached here (136).

He was instrumental in creating the University's Athletic Hall of Fame. The first class was inducted in 1992. Stark was inducted in 2000. Stark served as the Director of the University's Athletic Hall of Fame for a number of years and was a member of the Garnish Scholar-Athlete Committee which honors the top senior student-athletes each year.

Stark was inducted into the Syracuse University Letter Winner of Distinction Hall of Fame, the Greater Syracuse Hall of Fame, and the Frontier Field Walk of Fame. Additionally, he was named to Syracuse's Centennial Football Team.

The Brian F. Prince Athletic Complex

The Brian F. Prince Athletic Complex was made possible by the leadership, support, and generosity of Brian F. Prince, BS '86, MBA '89, in honor of his parents Richard J. Prince and Christine L. Prince and in hope that all who strive here will gain the strength and confidence his parents lovingly bestowed upon him.

The Prince Complex encompasses all of Rochester's state-of-the-art outdoor athletic facilities on the River Campus, including Fauver Stadium, Towers Field, the Lyman Outdoor Tennis Center and natural grass North Field practice facility. Fauver Stadium also has a renovated media suite and press box to aid in the expanding communication needs of the Yellowjacket teams.

Also, included in the project is the newly constructed Boehning Varsity House which occupies the bottom two floors of Genesee Hall, a new first-year residence at the south end of Fauver Stadium.

Within the Boehning Varsity House, UR's outdoor athletic teams have dedicated locker rooms and a top-of-the-line sports medicine suite at their disposal with a more expansive equipment room and additional student lounge spaces available.

Combined with the Goergen Athletic Center, the Prince Athletic Complex provides all Rochester student-athletes with some of the finest athletic facilities in the country.
