LEARN, DISCOVER, HEAL, CREATE— AND MAKE THE WORLD EVER BETTER

Among America's top-tier research universities, Rochester stands apart with its innovative mechanisms, allowing students the freedom to explore interests and research across disciplines while learning from faculty who are experts in their fields.

Undergraduates may also take courses in the university's professional schools of medicine, music, nursing, education, and business. The share of students who go on to pursue graduate degrees is among the nation's highest.

At Rochester we follow many passions, in and out of the classroom. There are hundreds of student organizations, including clubs and intramural sports. The athletics programs are very competitive at the Division III level, and the men's squash team is perennially top ranked in Division I.

We are committed to working with families to enable all qualified students to attend, regardless of financial circumstances. Merit scholarships are awarded to students who demonstrate academic achievement and potential.

Sarah C. Mangelsdorf

PRESIDENT AND G. ROBERT WYCKOFF, JR. UNIVERSITY PROFESSOR

President Sarah C. Mangelsdorf is an experienced academic executive known for her leadership in improving academic quality, advancing research, and expanding educational access and inclusion at some of the nation's leading public and private institutions. Since her appointment as president in 2019, she has increased the University's investment and growth in research and clinical enterprises, increased the diversity of the faculty, overseen record annual fundraising, led efforts to overhaul the institution's business resources infrastructure and cooperation programs, and created new leadership positions to better engage with the Greater Rochester community. In addition, she led the development of the University's 2030 Strategic Plan, *Realizing Possibility*, to help define the Rochester as a global research university of the future.

President Mangelsdorf is a recognized leader among the institution's in the Association of American Universities, the Consortium on Financing Higher Education, the EDGE Consortium, and other organizations. A fellow of the American Academy of Arts and Sciences, President Mangelsdorf also holds the title of G. Robert Wyckoff, Jr. University Professor with an appointment in the Department of Psychology. Before joining Rochester, she served as provost at the University of Wisconsin–Madison, part of a team of leadership that includes serving as dean of the Weinberg College of Arts and Sciences at Northwestern University and dean of the College of Liberal Arts and Sciences at the University of Illinois at Urbana-Champaign.

A Pennsylvania native, President Mangelsdorf graduated from Oberlin College and earned her doctorate in child psychology from the University of Minnesota. She and her husband, Karl Reisinger, a tenured developmental psychologist in the Department of Brain and Cognitive Sciences and the Department of Psychology, have two adult daughters and a son-in-law. She and her family enjoy learning about the Rochester region's long history of social justice and innovation as well as engaging with the ample opportunities for recreation and with its art, food, and music cultures.

Nicole S. Sampson

INTERIM PROVOST

Nicole S. Sampson was appointed interim University provost in August 2024 after serving as the Robert L. and Mary L. Spawell Dean of the School of Arts & Sciences since August 2023. Sampson came to the university from her position as the dean of the College of Arts and Sciences at Stony Brook University, where she served in numerous capacities over the course of three decades. During her time as dean, she oversaw the development of curriculum and research agendas for multiple programs, the creation of channels for interdisciplinary collaboration, and efforts to support diversity, equity, inclusion, and access.

Sampson also heads a research laboratory where she focuses on the molecular intricacies of innovation facilitation, methods for precision synthesis of polymers and finding new treatments for tuberculosis and chlamydia. Her work has been continuously funded by the National Institutes of Health since 1993.

Sampson earned a bachelor's degree in chemistry from Harvey Mudd College, a PhD from the University of California, Berkeley, and held an American Cancer Society postdoctoral fellowship at Harvard University. Sampson's honors and awards include the Conville and Henry Deryfus New Faculty Award, a National Science Foundation CAREER Award, the Arthur C. Cope Scholar Award and the Pfizer Award in Organic Chemistry from the American Chemical Society, and the Research Foundation of SUNY Research and Scholarship Award. She is also a fellow of the Stillmanbeck Institute for Advanced Study and a fellow of the American Chemical Society.

Executive Director of Athletics

George VanderZwaag

The 2024-25 academic year launches George VanderZwaag's 26th year as head of the Department of Athletics and Recreation. This is the longest tenure of any director of athletics at Rochester since Dr. Edwin Fauver, who served in the role for 29 years from 1916 to 1945. Both VanderZwaag and Fauver arrived at Rochester from Princeton University. After VanderZwaag, Louis Alexander Sr. served as head of the department for 21 years.

Since his arrival in 1999, the Yellowjacket athletic teams and recreational programs have experienced tremendous growth. Teams have won over a combined 3,900 games and have finished inside the top-100 in the Division III Directors Cup Standings 17 times. In 2023-24, Rochester produced 31 All-Americans and five Academic All-Americans®. In addition, ten programs sent teams or individuals to compete in national championship competition, with both five teams (squash, softball, women's indoor track & field, women's outdoor track & field and golf) winning conference titles. The recreational programs at Rochester have also doubled in size in his time at the helm.

In all, 264 athletes have earned All-America honors in a variety of sports. 89 athletes have been named to the Academic All-America Team® as chosen by the College Sports Communicators (CSC). 236 teams and countless individuals have been cited by their respective coaching associations for academic prowess.

VanderZwaag has overseen a number of major capital projects, including a complete renovation of the Goergen Athletic Center, design of the 11,000-square foot Bloch Fitness Center, replacement of the turf, lights, and track in Fauver Stadium, installation of artificial turf and lights on Towers Field and enhancements to the baseball, softball and tennis facilities.

In January of 2014, VanderZwaag and the University announced a major gift from alumnus Brian F. Prince ('86) which created the Prince Outdoor Athletic Complex. New playing fields, a new track, renovations to Fauver Stadium and the creation of the Boehning Varsity House were all key elements to this extensive capital project which was completed in 2023.

VanderZwaag established the Friends of Rochester Athletics program in 2000, to ensure the highest quality intercollegiate and recreational athletic opportunities at the University.

Athletic Success under VanderZwaag

- 11 combined Final Four appearances by men's basketball (2), women's basketball (3), men's soccer (1) and squash (5)
- 82 conference championships
- 210 nationally-ranked teams
- 185 teams qualified for post-season play
- 264 All-Americans
- 89 CSC Academic All-Americans
- 236 teams have earned All-Academic honors from their respective coaching organizations

He implemented a strategic plan to provide a quality athletics experience for students. This plan reaffirmed the important educational role of athletics within the overall mission of the University.

In September, 2002, his achievements were recognized by the University when he received the Goergen Award for Distinguished Contributions to Undergraduate Learning.

VanderZwaag has served as a member of the Community Service Network Advisory Board, the Genesee Waterways Center Board of Advisors, and the University United Way Cabinet.

He has held leadership roles in both of Rochester's athletic conferences. VanderZwaag served as the President of the Liberty League (formerly the Upstate Collegiate Athletic Association [UCAA]) and as the treasurer for the University Athletic Association (UAA), serving as a member of the UAA Executive Committee. He currently serves as treasurer of the Liberty League. VanderZwaag led the UCAA effort to expand membership in football and also led the branding project that resulted in the renaming of the UCAA as the Liberty League. He has also served on the NCAA Committee on Women's Athletics.

VanderZwaag currently serves as an advisory board member for the Sports Law & Business Program in the Sandra Day O'Connor College of Law at Arizona State University.

He arrived at Princeton in 1991. During his eight year tenure as Senior Associate Athletics Director, the Tigers experienced unprecedented competitive success, capturing 18 national championships and 81 Ivy League titles. Princeton won the Ivy League's unofficial all-sports standings all eight years.

VanderZwaag graduated from Trinity College in Hartford, Conn. in 1986 with a bachelor's degree in economics. He was an offensive lineman for the football team and a member of the golf team. He earned his Master of Science degree in sport management from the University of Massachusetts at Amherst. In 2016, he was recognized by UMass Amherst with its Distinguished Alumni Award. From 1989-91, he was an assistant to the athletic director for student services and operations at Tulane University in New Orleans, Louisiana.

He and his wife, Kathleen, are the parents of three boys, G.W., Michael, and Jacob. G.W. graduated as a member of the Class of 2016 at Rochester and played varsity golf. Michael completed his degree at the University of Michigan and Jacob graduated from Georgetown University. VanderZwaag also has one grandchild, Libby, born in August of 2021.

"STAY HYDRATED, STAY VICTORIOUS!"

Head Football Coach Chad Martinovich

After nine years leading the Massachusetts Institute of Technology football program to unprecedented success, Chad Martinovich was named the new head football coach at the University of Rochester in 2018.

During his five years with Rochester, Martinovich (pronounced mar-TIN-oh-vitch) has had 32 all-conference performers in the Liberty League. UR's student athletes also excelled in the classroom, with 31 players being honored by the Liberty League All-Academic selections.

Last season, the Yellowjackets posted their best record since 2015, finishing 5-5 (2-4 Liberty League) against one of the top-10 toughest schedules in the country. 10 Jackets earned All-Liberty League honors, including two first-teamers who also earned D3football.com All-Region honors, while 22 were named to the Liberty League All-Academic squad.

In 2022, Rochester finished 3-7 (1-5 LL) and had one of the best ground games in the country, led by junior running back Daniel Papantonis '24, who was named a 2nd Team All-American by the AFCA. Two players were named All-Region by D3football.com, and eight were All-Liberty League. The Yellowjackets eclipsed the 2,000-yard rushing total for just the 11th time in the history of the program. Additionally, 30 individuals were honored as Liberty League All-Academic, eight were College Sports Communicators (formerly CoSIDA) Academic All-District and seven garnered Hampshire Honor Society awards.

The 2021 season saw the Yellowjackets finish with three wins and have seven All-Liberty League performers, with senior Nicholas Petruzzello being named to the D3football.com All-Region team and a CoSIDA Academic All-American.

Prior to joining Rochester, Martinovich served as the head coach at MIT for nine seasons (2009-17). During that time, he steadily built the MIT program into a successful unit. MIT won the New England Football Conference (NEFC) Championship in 2014, earned its first NCAA Division III playoff berth, and advanced to the second round after a first-round win at Husson University. The final record was 10-1.

Following the 2014 season, he was named NEFC Coach of the Year, New England Football Writers College Division Coach of the Year, ECAC Coach of the Year, and the American Football Coaches Association Region I Division III Coach of the Year.

In the 2017 season, he directed MIT to success on both the gridiron and in the classroom. MIT was 7-3 overall, 5-2 in the New England Women's and Men's Athletic Conference (NEWMAC). The Engineers were tied for third in the nation in fewest sacks allowed (five). The team averaged 26.8 points per game and almost 400 yards of total offense per game.

During his nine years in Cambridge, MIT football players earned 17 CoSIDA Academic All-America® awards, including seven selections to the First Team. The MIT quarterback was named the 2017 CoSIDA Division III Football Academic All-American of the Year.

From a football standpoint at MIT, he coached two All-Americans, 16 All-Region players, four All-New England performers, and 63 All-Conference players.

His arrival at Rochester brings him back to roots in Western New York State. Martinovich graduated from Hobart College in June, 1994 where he played football. He had coaching stops at Bucknell University (1994-95), Hamilton College (1995-97), and the University at Albany (1997-98). In July, 1998, he joined the coaching staff at Swarthmore College as Offensive Coordinator and remained there until April, 2001.

Martinovich returned to Hamilton College in April 2001 for a three-year stint as Offensive Coordinator and Quarterbacks Coach. He also served as an assistant professor of physical education.

He moved to Rensselaer Polytechnic Institute in June, 2004. He was the Offensive Coordinator for one season before being named the Defensive Coordinator and Defensive Backs coach in December, 2004. His RPI defense ranked first in the Liberty League for three straight years. RPI played in the 2007 NCAA Division III tournament and was crowned an ECAC Bowl Champion on three other occasions.

Martinovich currently resides in Brighton with his wife Erin, and their children, Hailey and Tyler.

Rochester Football Endowments

No discussion of the football legacy at the University of Rochester would be complete without recognizing the contributions of Peter "Pat" Stark on the field and off.

Stark served as the Rochester head coach from 1969 through 1983. In those 15 years, his teams won 69 games. His first game was a 20-14 loss to Mount Union at Edwin Fauver Stadium. Rochester won four in a row after that, including wins over New England rivals Williams and Amherst. The Yellowjackets finished 6-3. A year later, Rochester lost at Mount Union, then went on a 12-game winning streak – from September 26, 1970 through October 10, 1971. The 1970 record was 8-1, the 1971 mark was 6-3.

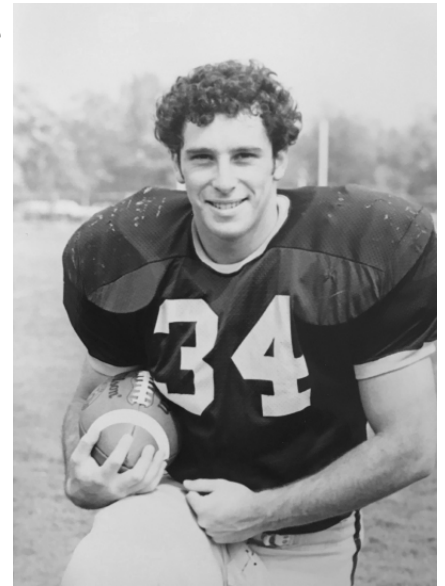

Coach Stark was a mentor both on and off the field, and this was recognized with an endowment in his name.

In 2014, the Pat Stark Endowed Fund for Football was created with a gift from Kathleen E. Stark Landers '82 and Peter J. Landers '83 (MS) in honor of Coach Pat Stark to support the programmatic needs of University of Rochester football. In 2009, the Rochester Football Alumni Endowment was created with a gift from Dr. Samuel Shatkin, Jr. '79, P'17 and Joni M. Shatkin P'17 to support the programmatic needs of University of Rochester Football.

At the University of Rochester, our endowment provides the financial foundation to perpetually support what is most essential here—our students and faculty, our vast health care network, and our continued excellence in our schools and programs. It also helps sustain the rich variety of music, art, health care, and educational programs that serve our University community and the Greater Rochester region.

Stark's contributions to the University were widely appreciated.

"In the very first week I was on campus, Coach Stark went out of his way to make me feel welcome and help teach me about the history of the University of Rochester football program," says head coach Chad Martinovich. "Over the course of my time here, he became both a friend and a mentor to me. Coach Stark has left a legacy within the U of R athletics department that is unrivaled. It was a privilege to get to know him over the time I have been a part of this community."

Samuel Shatkin's gift started the University of Rochester Football endowment.

As an undergraduate at Syracuse University, Stark was selected as the All-East quarterback by The Associated Press and United Press International in 1952 and 1953. He was named to the Red Grange All-American team in 1953. After graduation, he worked as an assistant coach at Syracuse and was part of the staff when the Orangemen won the 1959 National Championship.

Stark served as the Offensive Coordinator at the University of Rhode Island and at Harvard University before he came to the River Campus. His 69 wins are second-most among all football coaches at the River Campus. He is tied with Elmer Burnham in games coached here (136).

He was instrumental in creating the University's Athletic Hall of Fame. The first class was inducted in 1992. Stark was inducted in 2000. Stark served as the Director of the University's Athletic Hall of Fame for a number of years and was a member of the Garnish Scholar-Athlete Committee which honors the top senior student-athletes each year.

Stark was inducted into the Syracuse University Letter Winner of Distinction Hall of Fame, the Greater Syracuse Hall of Fame, and the Frontier Field Walk of Fame. Additionally, he was named to Syracuse's Centennial Football Team.

R Why Rochester?

Several prominent football alumni took the time to explain why they chose Rochester for their collegiate experience, share some of their best UR football memories, honor their favorite professors, and talk about where their careers have gone since graduation.

Included are responses from, **David Boyce '89** (DB), QB for UR's 1987 NCAA playoff team, **Matt Bielecki '08** (MB), UR's career rushing and scoring leader, **Gary Ciarleglio '89** (GC), UR HOF, former All-American and the Rochester career tackles leader, **Sam Guerrieri '87** (SG), Yellowjacket Hall of Famer and former All-American, **Brian Kowalski '02** (BK), a three-time CoSIDA Academic All-American, **Brian Pasley '76** (BP), member of the Yellowjackets Hall of Fame, **Lance Ramer '01** (LR), All-American, UR's career sacks leader, **Wayne Sebastianelli '79, '83 M.D.** (WS), UR Hall of Famer, **Jay Jay Vanderstyne '07** (JV), Yellowjacket career receptions leader, and **Jeff Wittig '86** (JW), UR Hall of Famer and former All-American.

Why Rochester as a college choice?

WS: To get a great education while at the same time compete at the college football level. Additionally, the coaching and athletic department staff, as well as my fellow student athletes, made me realize how great Rochester was and remains. Finally, having a medical school as part of the University system finalized my decision.

JV: I wanted to play two sports, baseball and football, and it seemed like the right fit! Coach Greene and Coach Reina were both open to me playing both.

BK: Because it allowed me to study at one of the nation's leading universities while playing football for a program with great people, facilities and tradition.

GC: Ray Tellier was coach and family friend and he was a big influence. Also, the university had a great academic reputation.

DB: I was interested in obtaining the best education possible while trying to extend my athletic career. Rochester offered me the best opportunity. I truly felt connected to UR the moment I stepped on campus. John Vitone and Ray Tellier were great ambassadors of the University.

JW: Based on the academic excellence, the student-athlete experience and the people; specifically football coach Pat Stark who was a critical part of my recruitment, UR experience and career placement.

MB: I wanted to attend a college that would stretch me academically and athletically. Rochester is an outstanding school, when I stepped foot on campus for a recruiting visit I knew Rochester was the place I wanted to go.

LR: I wanted to attend a university that would challenge me to be the very best in any endeavor, both in and out of the classroom...Meliora!

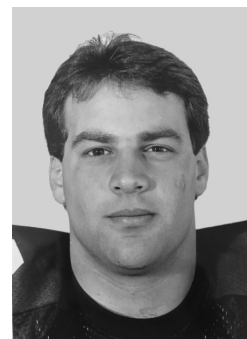

BP: I was exceptionally impressed with the University as a whole, the Campus, the Academic offerings and the exceptional coaching staff led by Coach Pat Stark.

SG: The opportunity to get a world class education. Play the sport I love. All in my hometown.

What is one of your best memories playing for Rochester?

SG: Playing for and learning from Coach Stark my freshman year has helped me hone my personal and professional skills. He remains a mentor and life coach. My father attended just about every practice during my four years. Having him and my entire family in attendance for each game...home and away... is something I will cherish for the rest of my life. Also, I married a Yellowjacket Cheerleader, Nancy Lesko. We've been married 29 years!

GC: Upsetting nationally ranked #4 Hofstra 31-28 on Long Island to remain unbeaten, in 1987. The defense was responsible for creating a turnover (forced fumble) on Hofstra's last play before setting up a potential game-winning FG. UR then marched the length of the field on offense and won on Andy Milne FG with 8 seconds remaining. The chances of this happening were astronomical.

Gary Ciarleglio

MB: The best memories are of the practices and preparation that led up to games and the times spent with friends and teammates on and off the field. Something that has stuck with me was a hard work mentality that our running back coach, John Micca would always preach. He wanted us to be the hardest working group on the field and would push us to be our best at every practice and game.

JW: Throwing for 398 yards against Denison, a top ranked team in the country under the lights at Fauver Stadium.

JV: Beating RPI in 2007. They were ranked in the top 25 and we went on the road and beat them. All around it was just such a great team win. I remember the defense made an unbelievable goal line stand to end the game!

Jeff Wittig

Why Rochester?

Did you have a favorite class or a favorite professor?

LR: Jody Asbury, as she knew how to push people in such a remarkable way that was full of passion and commitment.

BK: Rochester offered so many great classes and professors; I had some particularly great political science classes with Professor Gerald Gamm.

WS: Professor Siegel, mathematics department, who taught me calculus and probability. He is responsible for teaching me how to think. In medical school, it would be Dr. Distefano who taught me pharmacology and Dr's Ken DeHaven and C. McCollister Evarts who taught me orthopedic surgery during my residency at strong Memorial hospital.

Wayne Sebastianelli (53)

BP: Dr. William Jonson, Psychology of Personality and Behavioral Psychology.

GC: Professor S. Peter Regenstrief Political Science. He loved UR football and athletics and made a great speech in class when we ripped off eight wins in a row.

Where has your career taken you since graduation?

DB: I returned to our family business in LeRoy and in 2001 sold it to Tompkins Financial. I have been President and CEO of Tompkins Insurance since 2002 and Executive Vice President of Tompkins Financial since 2004.

JW: The University of Rochester reputation was an important part of launching my career in health insurance at Blue Cross Blue Shield. That was followed by a role in management for an integrated health care delivery system and transitioned into my current role leading the employee benefits operations in Syracuse, NY for one of the largest insurance intermediaries in the country.

BK: After graduating from Rochester, I attended and graduated from Georgetown Law School. I have since practiced at Latham & Watkins in Washington, D.C., focusing on the defense of government investigations and enforcement actions, internal investigations, and complex civil litigation.

JV: My family owns a Toyota dealership in Rochester.

LR: A career in teaching and coaching football at the Blair Academy, Montclair Kimberley Academy, Riverdale Country School and Maclay School.

Where are they now?

WS: Associate Dean for clinical affairs, associate chief medical officer Penn State health, Kalenak Prof. of orthopedic surgery, Medical Director Penn State sports medicine, Penn State Health/Penn State College of Medicine.

JW: Senior Vice President, Brown & Brown Insurance.

BP: Held multiple positions in both industry and banking in the New York metro area as well as the Midwest, before returning to Rochester. Currently serves as Executive VP at Canandaigua National Bank.

BK: Partner and Global Vice Chair of the Litigation & Trial Department at Latham & Watkins LLP.

DB: President and CEO of Tompkins Insurance, Executive VP of Tompkins Financial.

SG: EVP Wealth Management, Canandaigua National Bank & Trust after working for 21 years at M&T Bank.

LR: Maclay School Head Football Coach, Middle School Dean, Math Teacher and Assistant Athletic Director.

JV: General Manager at Vanderstyne Toyota Dealers.

MB: Administrative Vice President-Retail Regional Manager at M&T Bank.

GC: Quinipiac Chamber of Commerce Business Development Executive -Sponsorship, Advertising and Membership Sales. Event Coordination and Planning.

Edwin Fauver Stadium

Built in 1930 and completely refurbished during the 1980's, Fauver Stadium anchors the outdoor Brian F. Prince Athletic Complex. An AstroTurf surface was installed during the Summer of 2000. In May, 2021, the most recent Field Turf surface was installed. A brand new press box was completed in the fall of 2016 and a new dormitory at the south end of the stadium was completed in 2017. The stadium concourse was also renovated in 2016 and new visiting team locker rooms, along with team space were finished in 2018. Within the new dorm building, Genesee Hall, the bottom two floors are encompassed within the Boehning Varsity House and are dedicated to athletics, including new locker rooms, equipment space and athletic training rooms.

Seven different sports utilize the facility for home events (football, m/w soccer, field hockey, lacrosse, and m/w track & field).

On August 4, 1993 Fauver Stadium hosted the opening ceremonies of the Empire State Games (ESG), the largest amateur athletic competition in the United States, featuring more than 7,500 participants. The stadium was used for competition in track & field plus lacrosse. When the games returned to Rochester in 2006, Fauver Stadium was used for track & field competition.

Two legendary entertainers performed here in a four month span: **Cab Calloway** spoke at Graduation ceremonies in May, 1993 and led a crowd of more than 10,000 in a chorus of "Minnie The Moocher". **Ray Charles** played for one hour at the ESG opening ceremonies.

The stadium is named in memory of the man who planned construction of the athletic facilities at the River Campus. **Dr. Fauver** was instrumental in the formation of the New York State Conference of Small Colleges, and the Western New York Intercollegiate Athletic Conference.

Dedication ceremonies took place on October 18, 1930 at half-time of a Rochester-Wesleyan (CT) football game. Dr. Fauver and his brother **Dr. Edgar Fauver** of Wesleyan, served their schools as directors of physical education.

Services

- **Concessions:** A concession stand, offering a variety of items, can be found in the Stadium concourse.
- **Handicapped Accessibility:** Wheelchair access is available through Gate III. Ramp seating is located in the center stands.
- **Restrooms:** Lavatories for men and women are located in lobby on each side of the main entrance (Gate II).
- **First Aid:** Persons in need of emergency first aid should contact an usher.
- **Alcohol:** Alcoholic beverages are not permitted inside the Stadium. Violators will be ejected from the stadium.
- **Public Address Announcements:** No special announcements, except those concerning University functions are made over the public address system except in emergency cases. If an emergency does arise, go to the press box and give the message to the Sports Information Director.

What's In A Nickname? The Story Behind "Yellowjackets"

Had a vote gone differently, the University's athletic teams could have been named for the river that runs alongside the campus, for the official campus flower, or could bring one to recall a detective story by the noted author Edgar Allan Poe.

A story dated October 9, 1985 in the Campus Times says that students voted on possible mascots in Anderson Hall on the Prince Street campus in 1929.

"Yellowjackets" was the prevailing winner, beating Geneseeans, Dandelions, Gold Bugs, and Rivermen.

The evolution of the nickname "Yellowjackets" for Rochester athletic teams dates back to the 1920s, although there is some dispute as to how it evolved.

J. Howard Garnish is credited with giving the teams the nickname. During his undergraduate days, Garnish was a member of the football team and editor of The Campus, the

student newspaper which was a forerunner of today's Campus Times.

An article from the October 26, 1987 edition of the Campus Times says Garnish was tackled and took a kick in the mouth. He then yelled "Go Yellowjackets" referring to the color of the University's jerseys.

In the November 12, 1926 edition of The Campus, a Buffalo player called the University's foot-

ball team Yellowjackets because of their sting, not because of their clothing.

Garnish wrote an editorial in the same edition, rallying the team for an upcoming game vs. Rensselaer Polytechnic Institute. His headline read "Go to it, you Yellow Jackets!". The nickname stuck.

A 1991 edition of Rochester Review, the University's Alumni publication, says Garnish was knocked out cold after the tackle and the nickname came up in his editorial.

When the University celebrated its sesquicentennial anniversary in 2000, the Barnes and Noble bookstore published a desk calendar which had tid-bits of University history scattered throughout. Legend, according to the calendar, verifies that Garnish got up after a crushing tackle and cried out "Go you Yellow Jackets".

The 1910 team finished with a final record of 4-3-2. The season ended with a 3-0 win over Holy Cross when Ray Brown (front row of steps, second from left) drop-kicked a 53-yard field goal. One of the team members was George Abbott (third row from the bottom of the steps, first man on the left). Mr. Abbott became a renowned Broadway playwright.

The Liberty League sponsors championships in 27 sports. The member institutions of the league place the highest priority on the overall quality of the educational experience and on the successful completion of its student-athletes' academic programs. The member institutions seek to establish and maintain an environment in which a student-athlete's athletic activities are conducted as an integral part of the educational experience.

Originally founded as the Upstate Collegiate Athletic Association in 1995, the conference was renamed the Liberty League during the summer of 2004. The league includes founding members Clarkson University, Hobart and William Smith Colleges, the University of Rochester, Rensselaer Polytechnic Institute, St. Lawrence University, Skidmore College, and Union College. Vassar College became a full member of the league during the 2000-01 academic year. Rochester Institute of Technology and Bard College joined the Liberty League beginning in the 2011-12 academic year. During its time, the Liberty League has had numerous associate members in football, including the U.S. Coast Guard Academy, U.S. Merchant Marine Academy, Worcester Polytechnic Institute, Susquehanna University and Springfield College. Following the departure of three associate (football-only) members after the 2016 season, Ithaca College joined as a full member of the conference in 2017. Buffalo State joined as an affiliate member in football in 2019.

"The Liberty League provides a great competitive context for our football program," says Rochester Executive Director of Athletics George VanderZwaag. "We compete against some outstanding academic institutions that are strongly committed to football in their educational contexts. The Liberty League champion is determined through a rigorous head-to-head schedule, and the league champion deservedly advances to post-season play in the NCAA Division III football playoffs."

"By competing in the Liberty League, we have natural regional rivalries, and the competitive level is among the strongest in Division III football. Combined with our efforts to support a quality football program, the league provides our student-athletes a great college football experience."

During the 2023-24 academic year, five Rochester teams: golf, squash, softball and women's indoor and outdoor track & field, claimed Liberty League titles.

Liberty League student-athletes are among the best in the nation in the classroom as well. Last year, a total of 148 players from Rochester's Liberty League teams were awarded All-Academic status from the conference by having a cumulative grade point average above 3.30.

The Brian F. Prince Athletic Complex

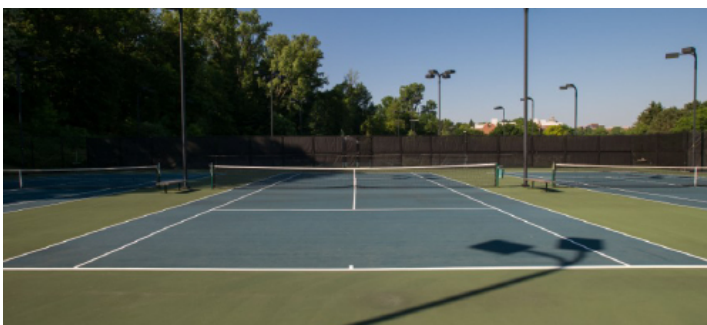

The Brian F. Prince Athletic Complex was made possible by the leadership, support, and generosity of Brian F. Prince, BS '86, MBA '89, in honor of his parents Richard J. Prince and Christine L. Prince and in hope that all who strive here will gain the strength and confidence his parents lovingly bestowed upon him.

The Prince Complex encompasses all of Rochester's state-of-the-art outdoor athletic facilities on the River Campus, including Fauver Stadium, Towers Field, the Lyman Outdoor Tennis Center and North Field practice facility. Fauver Stadium also has a renovated media suite and press box to aid in the expanding communication needs of the Yellowjacket teams.

Also, included in the project is the newly constructed Boehning Varsity House which occupies the bottom two floors of Genesee Hall, a first-year residence at the south end of Fauver Stadium.

Within the Boehning Varsity House, UR's outdoor athletic teams have dedicated locker rooms and a top-of-the-line sports medicine suite at their disposal with a more expansive equipment room and additional student lounge spaces available.

Combined with the Goergen Athletic Center, the Prince Athletic Complex provides all Rochester student-athletes with some of the finest athletic facilities in the country.
